REACTION	neutral
STORAGE	cool & dry, avoid direct sunlight
STANDARD PACK SIZE	25kg
ALSO AVAILABLE IN	10kg bucket

Light soiling

5–10g

Medium soiling

10–15g

Heavy soiling

15–20g

Dosage per 1kg of dry weight laundry

Safe, fast and effective bleach action at low temperatures

Slow release concentrated powder bleach for use with all fabrics.

Safer powder alternative to Sodium Hypochlorite liquid bleach with a longer shelf life.

Fast and effective action at lower temperatures.

Excellent stain removal - can be used with all white cotton/linen fabric.

Easily flushed through machine hoppers.

Available chlorine 10%.

How to use

Use on white laundry work only at temperatures up to 60°C as a stain removal booster.

See dosing table opposite.

For further process information speak to an Ideal technical representative.

Do not use on coloured linen or delicate garments.

Health & safety

Available on request. Store in cool & dry conditions. Avoid exposure to direct sunlight. Do not use in conjunction with peroxide or peroxy containing products. Ensure neutralisation of residual chlorine in final rinse.
