Ultimate all round professional laundry powder

A comprehensive top of the range modern formulation for incredible results even at low temperatures.

Fully built multi ingredient formulation for total professional laundry action.

Powerful cleaning and heavy stain removal. Proven results from the smallest domestic machine to the largest industrial tunnel washer.

Brilliant whiteness and brightness. Fresh cologne fragrance.

Outstanding performance, quality and value with automatic powder injection system.

How to use

See dosing table opposite.

Designed as a single shot product for exceptional results on tunnels and washer extractors. Formulated for both manual and automatic feed through the Ideal powder dosing unit. It is free flowing through machine dosing hoppers.

For further process information speak to an Ideal technical representative.

Health & safety

Available on request. Store in cool & dry conditions. Avoid exposure to direct sunlight.
