ALSO AVAILABLE IN	5L, 10L

		Soft water	Hard water
Full load		5–10ml	10–15ml
Half load		4–8ml	8–12ml

Dosage per 1 kg of dry weight textiles

Finish & retexturing agent with antistatic and fragrance

Gentle and effective finishing agent for all textiles, including sensitive fabrics.

Imparts a thin surface film onto fibres for easier ironing & reduced wrinkling.

Leaves a pleasant handle and elastic feel, whilst helping to minimise creasing.

Cool cologne fragrance complements Ahoy Wash for added freshness.

How to use

See dosing table opposite.

Apply to final rinse in professional wet cleaning process.

For further wet cleaning process information speak to an Ideal technical representative.

Health & safety

Available on request. Store above 5°C.
