Dosage per 1kg of dry weight laundry

Powerful alkaline mainwash auto injection powder

Powerful high alkali mainwash powder formulated for general use. Excellent results on restaurant & kitchen soiling or industrial workwear. Particularly effective for polyester regeneration. Provides extra suspension for hard water areas. Eats through greasy heavy soiling without damaging fabrics.

How to use

Formulated for both manual and automatic feed through the Ideal powder dosing unit.

See dosing table opposite.

For further process information speak to an Ideal technical representative.

Health & safety

Available on request. Store in cool & dry conditions. Avoid direct sunlight.
