Professional alkaline auto injection laundry liquid

Excellent professional alkaline auto injection laundry liquid emulsion for all classifications.

Highly effective soil removal & suspension, suitable for all fabric types.

Concentrated formulation. Boost with Pensol or Alkali Boost on heavy soil.

Fresh floral fragrance.

Free rinsing.

Suitable for low temperature washing.

How to use

Inject automatically via an Ideal automatic dosing system. Most processing in a conventional washer-extractor can be done with a one wash process.

See dosing table opposite.

For further process information speak to an Ideal technical representative.

Health & safety

Available on request. Store above 5°C.
