Low dose

3–5ml

Medium dose

5–7ml

High dose

7–10ml

Dosage per 1 kg of dry weight laundry

Luxury fabric softener with sophisticated cologne fragrance

Highly effective luxury white fabric conditioner for excellent softness on towels and cotton mix fabrics.

Imparts a cool and businesslike freshness to shirts, sports towels etc.

Popular with laundry premises offering a professional shirt service.

Compares favourably with consumer branded products, leaving textiles soft to the skin and free from static.

Phosphate free, OBA free, Dye free and suitable for use at low temperatures.

How to use

Apply to final rinse.

See dosing table opposite.

For further process information speak to an Ideal technical representative.

Health & safety

Available on request. Store above 5°C.
