Premium luxury fabric conditioner with odour neutraliser

Premium luxury fabric conditioner for excellent softness on towels and cotton mix fabrics.

Made from an intelligent blend of stable high temperature cationic surfactants to leave textiles soft to the skin and free from static.

Special odour neutraliser technology eliminates persistent stubborn smells (such as smoke, food or urine) rather than masking them.

Attractive pastel peach colour and oriental vanilla floral scent imparts pleasant residual fragrance even after drying.

Phosphate free, OBA free and suitable for use at low temperatures.

How to use

Recommended for removing malodour from smoke damaged fabrics, pet/horse blankets and sportswear.

Apply to final rinse.

See dosing table opposite.

For further process information speak to an Ideal technical representative.

Health & safety

Available on request. Store above 5°C.
